What to do and Why

To speak with one voice and represent Europe

To identify common issues and work on them together

To cooperate with the EC for the development of EHEA
How do we do that?

Periodical online meetings?

Which are our priorities?

Workshops?

Any common issues?

What about CHEITA?

How do we cooperate?

Research, Analysis and Surveys?

A new Task Force?

…
Thank you!

Marc Bouchara | Ramón Grau Sala | Michele Mennielli
