

Grow Your Ideas Organically in the

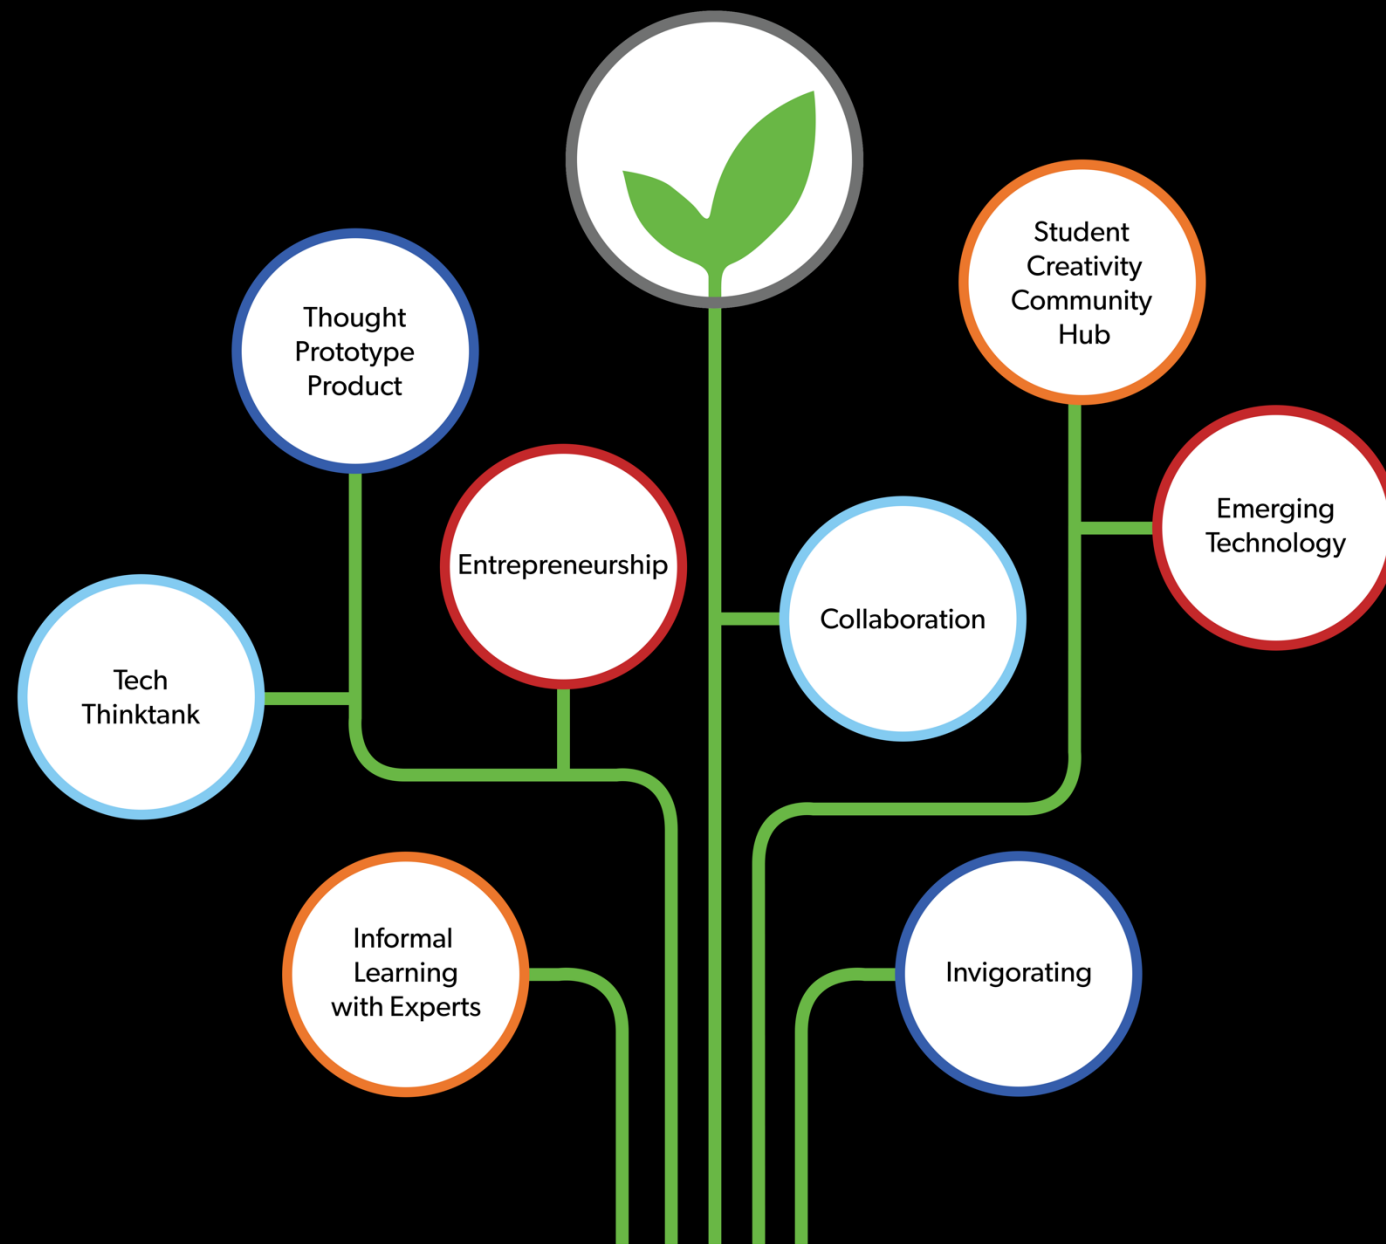

idea garden

Presenter –
Julie A. Johnston
Director of Learning Spaces
Indiana University

You should be able to walk into a space that is meant for creativity and collaboration and immediately feel inspired.

idea garden

WELCOME TO THE *idea garden*

WHAT IS IT?

A THINKER SPACE

Focused on giving students access to **EMERGING TECHNOLOGY** and encouraging collaboration

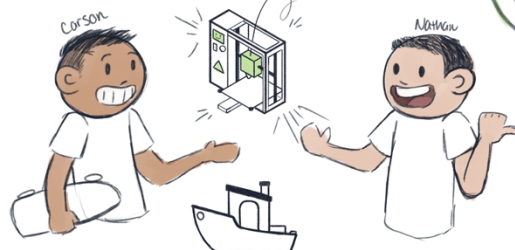

VIRTUAL Reality
.....
CREATE YOUR WORLD
.....

.....
LEARN SOMETHING NEW
.....
