BencHEIT Survey / Background on the survey

- Free of charge
- A survey on **IT costs and volumes** of higher education institutes.
- Invented, developed and managed **by CIOs** (within EUNIS community)
- **Transparency:** participants see the analysis and each others complete data access rights for each participant per year
- **Cash flow based** → fluctuation between years especially for one organisation.
- Cost data and reporting
 - **With or without value added tax**
 - **In your own currency**
