Solution Providers · 2026 - 2027

Partner with EUNIS

Membership and **Congress sponsorship** for the solution providers serving European higher education.

EUNIS

Why it matters

The best feedback you'll get on your product

EUNIS members are the experts running digital transformation inside European universities. They know what works, they'll tell you honestly, and for your roadmap and R&D that is a rare resource.

EUNIS

About EUNIS

The sector's own network, since 1993

A non-profit run by and for the people leading digital change in higher education and research.

140+
Member institutions

28+
Countries

250+
Congress Participants

EUNIS

Who's in the room

Nearly 1 in 5 participants are senior leadership

C-suite and senior leaders fill almost 20% of the room. The rest are the architects and specialists who shape what their institution builds and buys.

EUNIS

TWO WAYS TO JOIN AS A SOLUTION PROVIDER

1

Join as a Member

Interact with the community and the Special Interest Groups throughout the year, surfacing insight from across the sector.

2

Sponsor the Congress

Show up where the sector actually talks. That is where relationships form.

EUNIS

EUNIS

Membership

Connect with key decision-makers across the European Higher Education sector

- an early read on where the sector is heading
- a platform to show your expertise through talks and case studies
- the standing in the community that turns into qualified leads and lasting partnerships

€4,000 / academic year

EUNIS 2027 · **1-3 June · Riga, Latvia**

EUNIS

Why sponsor

Sponsors aren't watching from the sidelines

- You get a stage and a stand of your own.
- You meet the leaders face to face.
- You leave with real relationships, not business cards.

Congress sponsorship

EUNIS
