# EUNIS 2027, 1-3 June 2027

Rīga Stradiņš University, Rīga, Latvia

## Guidelines for the authors of Scientific Papers

**In order to submit a paper on Easychair, you first need to create an account.**
For help on EasyChair, please refer to https://easychair.org/faq
**Please make sure to comply with the provided templates to submit your paper:**

- EUNIS 2027 EasyChair-Word-template-for-EPiC-Series
- EUNIS 2027 EasyChair-LaTeX-template-for-EPiC-Series

**Make sure you have included the authors' biographies and photos at the end of your paper, as described in the templates.**
**The page limit is set to 10 pages excluding references and biographies.**

The most engaging papers will be selected for individual presentation at the congress, whereas the authors of the other accepted papers will be sharing their research in topical discussion sessions.
All accepted papers will be published in the ***EPiC Series in Computing***. In addition, one submission may receive the **EUNIS Best Paper Award**. Papers submitted by regular EUNIS members that demonstrate outstanding implementation of information systems in higher education may also qualify for the **EUNIS Elite Award**.

The Scientific Committee may also recommend some papers to the Programme Committee for the EUNIS Dørup Award and Emerging Professionals Award.
